**Here is a sneak peek at one of the stories in the collection:**

## **The Red Balloon**

The boy was playing in the park when he saw a red balloon floating in the sky. He reached up and grabbed it, and the balloon followed him home.

The boy loved his new balloon. He played with it every day, and he took it with him everywhere he went.

One day, the boy was playing with his balloon in the park when a gust of wind blew it away. The boy chased after the balloon, but it was too fast for him.

The boy was heartbroken. He searched for his balloon for hours, but he couldn't find it.

Just when the boy was about to give up, he saw a group of children playing with a red balloon.

The boy ran over to the children and asked them if they had seen his balloon.

The children said that they had found the balloon earlier that day. They gave it back to the boy, and he was overjoyed.

The boy learned a valuable lesson that day. He learned that even when things are lost, they can always be found again.
