The Hindenburg disaster is one of the most iconic events in history. On May 6, 1937, the German airship Hindenburg exploded and crashed while attempting to land at the Lakehurst Naval Air Station in New Jersey. The disaster killed 36 people and shocked the world.

In Mission Hindenburg: The 39 Clues Doublecross, Dan Cahill is on a mission to uncover the secrets behind the Hindenburg disaster. Dan is a member of the Cahill family, a powerful family that has been searching for the 39 Clues, a set of artifacts that can unlock the secrets of history.

Dan's investigation takes him to Germany, where he learns about the Hindenburg's design and construction. He also meets with survivors of the disaster, who share their firsthand accounts of what happened that fateful day.

As Dan gets closer to the truth, he realizes that the Hindenburg disaster was not an accident. It was a deliberate act of sabotage, carried out by a group of Nazis who were opposed to the Hindenburg's mission of peace.

Dan must race against time to stop the Nazis from carrying out their plans. He must also find the 39 Clues, which hold the key to preventing future disasters.

Mission Hindenburg: The 39 Clues Doublecross is a thrilling and educational book that takes readers on a journey through history. Dan Cahill's adventure is full of excitement, danger, and suspense. Along the way, readers will learn about the Hindenburg disaster, the Nazis, and the power of the 39 Clues.
