

Mom S Cancer Brian Fies

A deeply moving and beautifully illustrated graphic memoir about a son's journey to understand his mother's cancer and the profound impact it had on their family.

In Mom's Cancer, acclaimed graphic novelist Brian Fies chronicles his mother's battle with breast cancer. With honesty and humor, he captures the emotional rollercoaster of caring for a loved one with a life-threatening illness.

From the initial diagnosis to the grueling treatments and the final days, Fies weaves together his own experiences with his mother's. He explores the complexities of their relationship, the challenges of being both a caregiver and a son, and the transformative power of love in the face of adversity.
