The History of Marmalade

Marmalade is a type of fruit preserve that is made from citrus fruits, sugar, and water. It is believed to have originated in Portugal in the 15th century, and it was originally made with quinces. In the 16th century, marmalade was introduced to England, where it quickly became a popular breakfast

food. Marmalade is typically made with oranges, but it can also be made with other citrus fruits, such as lemons, grapefruits, and limes.

The Culture of Marmalade

Marmalade is an important part of English culture. It is often served at breakfast, and it is also used in a variety of desserts. Marmalade is also a popular gift item, and it is often given to friends and family as a token of appreciation.
