### **Excerpt from This We Believe**

"I believe in God, the Father almighty, creator of heaven and earth." We begin with the most basic affirmation of all: that there is a God. And not just any god, but a God who is the Father almighty, creator of heaven and earth. This is the God who brought all things into being out of nothing. He is the God who sustains all things by his power. He is the God who rules over all things with his wisdom.

To believe in God is to trust in him. It is to believe that he is who he says he is and that he will do what he says he will do. It is to believe that he is our Father and that he loves us. It is to believe that he is almighty and that he can do anything. It is to believe that he is the creator of heaven and earth and that he is in control of all things.

If you believe in God, then you can have confidence in the future. You can know that you are not alone and that you are loved. You can know that you have a purpose in life and that you are destined for something great.
