An Excerpt from *Time to Soar*

When my husband died, I felt like my whole world had been shattered. I didn't know how I was going to go on without him. But I knew that I had to find a way.

For months, I grieved. I cried every day. I couldn't sleep. I couldn't eat. I felt like I was in a fog.

But slowly, I started to heal. I started to find joy in the little things. I started to make new friends. I started to rebuild my life.

It wasn't easy, but I did it. And I know that you can too.

If you are grieving the loss of a loved one, please know that you are not alone. There are people who care about you and want to help you through this difficult time.

There is hope for a brighter future. You can rebuild your life and find happiness again.
